

CHARLES MACKEREL TATTOO BOOKING INFO

PLEASE READ IN ORDER TO HELP ME HELP YOU.

Custom Tattoo Commissions

These are welcome. Please write a detailed brief if you wish to get the best out of me.

You **MUST** include:

PLACEMENT

SIZE (cm/in)

BUDGET (if important)

REFERENCE IMAGES

(my own work or artwork, please don't send other artist's tattoo work)

Please be aware, almost all custom designs will be drawn up on the day of the session. It's much easier for me to design this way, you are involved and in the room, I can measure up against your body, in real time, no emailing back n forth.

Please be aware, placement affects the pricing point. Most things I can adapt to a budget, but understandably price rises with size and complexity of the design.

Consultation and drawing sessions can be done, they are the price of a deposit.

Please understand I don't take all custom designs, it's not personal.

Any Questions please ask!!!

Booking Deposits

cost £50 and are deducted from the final fee for the tattoo, they are only refundable in certain circumstances with at least 48hrs notice.

Flash Tattoos

Flash gets priority.

Flash is a design I have already drawn up, ready to be tattooed, or sometimes adapted slightly. You must pay a deposit in order to reserve flash designs.

Some designs I will only tattoo at a certain size or in a certain placement.

I will only tattoo flash once unless it's been featured on a repeater flash sheet.

The most up to date flash list is in my instagram highlights.

There's also a highlight of things I've seen that I like and would like to tattoo called 'Unborn Ideas'.

Email Etiquette

Please don't take a week to reply/send your deposit, you'll just lose the slot/design! I try to answer everyone, but it is just me doing this and sometimes people slip through the cracks. Please do email again if you think you've been missed!

Putting 'Tattoo enquiry' is less than useless as this is a dedicated email address to tattooing.

DO NOT REPLY TO THE MAILING LIST EMAIL

PLEASE START A NEW EMAIL THREAD WITH THE IDEA, OR DETAILS OF THE TATTOO IN THE SUBJECT LINE.
